

YATTON AND DISTRICT SUMMER SKITTLES LEAGUE

ARE YOU LOOKING FOR A NEW HOBBY????

**WE ARE LOOKING FOR NEW SKITTLES TEAMS/INDIVIDUAL PLAYERS TO JOIN THE
YATTON AND DISTRICT SUMMER SKITTLES LEAGUE**

Are you looking for a fun night out on a regular Monday/Tuesday evening, along with some cup matches/competitions on other nights during the summer. If so we are looking to expand the Yatton and District Summer Skittles League. It is a charity league raising money every year for various worthwhile charities. We have raised over £120,000 since the start of the league in 1976.

Skittle matches start at 8pm and a team consists of nine players who play six hands of skittles each.

We are looking to increase the league, so that even more money can be raised for the nominated local charities.

If you are interested in entering a new team please contact us via the website yattonanddistrictsummerskittles.co.uk, through one of our committee members or via our facebook page.

The 2026 season will start in May, so please let us know if you are interested by the beginning of March.
